July 2007

Success!

President's Corner

by Vic Briley

Hello fellow flyers:

Congratulations chapter members. The Gaylord Air Fair and Pancake breakfast / Young Eagles were a huge success. We flew 118 Young Eagles and made a good profit on concessions. We should receive an income and expenditure report at the meeting. This gives us most of the money that we will need for the new roof on the chapter hangar. We will need to raise a little more money to cover roofing expenses. Many thanks go to Phil Curtiss and Bob Johnson for the hard work preparing for the big weekend and to all that worked that weekend. I would also like to thank the Gaylord Girl Scout Troop for a job well done.

We have two new members in our chapter. Mark Lulfs joined our chapter during our pancake breakfast and flew many Young Eagles with his beautiful Cherokee

A Great Weekend

by Phil Curtiss

Success! It was great!

The Air Fair weekend beat all our old records. We fed more than 1,000 people Saturday. Sunday we fed another 250 and flew 118 Young Eagles. We even drove the Airport staff nuts trying to keep up with all the arrivals and departures Sunday.

Stand up and reach around behind you and give yourself a great big pat on the back.

We netted a profit of almost \$2,500. A full report of the Fair is shown elsewhere in this newsletter. We can really be proud of ourselves.

And with the profits we can seriously start considering repairs to the roof and future hangar rentals.

The entire Chapter owes a major thanks to all those that contributed time and work to make the weekend a great success.

Next Meeting July 11, 2007

**In the Airport Terminal
Board at 6:30pm
Chapter at 7:00pm**

Meals Served	1,012	250	1,262

President's Corner—continued

(Continued from page 1)

6. Also welcome Dick Defka. I hope to meet Dick at our next meeting.

We will be roofing the chapter hangar soon and will need many volunteers to get the job done. I will keep you informed when we have a date scheduled.

The RV4 aircraft project is finally started. We are currently working on the empennage. We meet every Wednesday at 7 PM at Wally McCoy's hangar (Frank Bennett's old hangar). Anyone is welcome to come and visit or lend a helping hand if you so desire. Current owners are Wally McCoy, Don McCoy, and Vic Briley. We are looking for two more partners. The investment is small (\$2,000 initial investment with more later for avionics and finishing materials) and the rewards are priceless. If you are interested, see Wally

McCoy or myself.

We have a weekend work party at Oshkosh scheduled for July 14-15, 2007 with 4 people signed up to go. If you would like to volunteer please let me know so I can get your name on the list. You do not have to be a member of EAA to participate and minors (as young as 14 years of age) can go too. EAA Oshkosh provides meals and lodging. Participants will split the transportation costs. We had a good time last year and look forward to another adventure.

Airventure 2007 is fast approaching (July 23-29) and several of our chapter members plan on going. Let's get together at the show.

Keep the blue side up!

Vic Briley

June 13, 2007 Meeting Minutes

The June 13th meeting of the Chapter was called to order by President Vic.

Visiting us tonight was Don Matz. Welcome Don.

Jon Study reported on the cost of roof repairs. The framing is in good shape but the old roof should be peeled off. There may be some OSB that needs to be replaced. The cost of a good new roof will be around \$3,000. A temporary repair that may last four years could be done for about \$400. It was decided to table action until the profits of the Air Fair could be deter-

mined.

Joe Seibold showed pictures of the Zenair 601 project he is building in Arizona. He also brought a photo of the Wright Brothers airplane #2.

Wally McCoy moved to adjourn the meeting and the motion was supported by Joe Hartley. Meeting adjourned at 8:20pm.

Respectfully submitted,

Wally McCoy, Acting Secretary

Mother Hen and Her Chicks
